Subject: Incorrect address

Dear Mr. Nelson,

I am writing to notify you of an error in the address the ORS is using to correspond with me. This is in reference to Docket No. 2009-75-W. I recieved a letter from your office with the inccorect address. It should be as follows:

Melanie Wilson
1010 Windwood Drive
Anderson, SC 29621

This address was also incorrect on PSC website docketing page. I have notified them of the error as well. I spoke with Consumer Affairs and the address is correct in their system.

Thank you for your attention to this matter.

Sincerely,

Melanie Wilson
